

Artist Studio Process Success Criteria

Artist Studio Process	Engaged – Meets Standards Success Criteria
Explore I am exploring what will inspire my artwork	I can seek artists and artworks from a variety of sources. I can maintain evidence of exploration (seesaw posts, visual notes...). I can explore and research new media and techniques.
Design I am designing / planning what I will create	I can generate a series of original ideas that relate to my essential question / theme, developing my own personal style. (visual notes, thumbnail sketches, models / maquettes)
Create I am creating my planned artwork.	I can use visual language to express ideas. I can productively use studio time to make art that reflects my essential question / theme. I can persist and problem solve as I make artwork.
Reflect I am reflecting on my work or the work of others	I can communicate my artmaking progress and process. I can post daily reflections to Seesaw. I can give and receive feedback.
Skill Builder I am learning how to use a media, tool, or technique.	I can research, experiment and practice with a variety of chosen medium or techniques.
